Dear ,

You're likely getting ready to celebrate Thanksgiving with your family and friends. My wife and I are excited to continue to build new traditions with our young daughter. And as I think about what we'll add this year, I also think about the incredible Thanksgiving dinner that will happen out in the west end this year...the Thanksgiving dinner at Arliss and Tamara's apartment.

You probably recall their recent letter from Tamara Howse who shared how Bissell Centre donors like you helped them leave their life on the streets of downtown Edmonton behind.

Something Tamara wrote hit home for me:

"A lot of good people in bad situations are just waiting for their chance to get it right. Arliss and I are living proof that your support of Bissell Centre is making a life-changing difference in our lives

and the lives of others as well.”

Will you join me this Thanksgiving and help another family like Tamara’s?

Please take just a minute right now to make a convenient and **secure** gift on the [Bissell Centre’s online donation page](#).

I’m grateful for your past support. Donors like you made Arliss and Tamara’s new life possible. The housing programs that your gifts support mean more people like Tamara and her family can move into their own homes and successfully create a safe and stable home.

And your continued support this Thanksgiving will ensure Bissell Centre is there to help the hundreds of other people who rely on our housing programs to find a safe and stable home.

Please take a moment to [click here](#) now and make a secure, life-changing gift online.

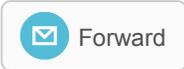

Thank you for celebrating this Thanksgiving in such a meaningful way.

With kindest regards,

Rob Fragoso, CFRE

P.S. If your gift and this message have crossed paths, please accept my sincerest thanks for helping more families like Tamara’s.
